13. Designation of Matches and Seeding**13.1 Seeding**

The teams competing in this Championship will not be seeded; draws will be made on a random basis, with the only restriction that minor changes may be made to ensure that teams of the same NBO meet in the early rounds.

13.2 Responsibility for the Draw

The draw will be made at the Captains Meeting on Sunday 21 June 2026. The team numbers and, by consequence, the sequence of the matches will be published on the championship website at bonusasiacup2026.com.

The Organising Committee has the authority to make some changes in the team numbers (and as a consequence in the sequence of play) if required by occurrences after the draw has been announced.

13.3 Seating Rights

There will be no seating rights for the round robin. The Home team sits NS in the open room.

For the Mixed Team and Mixed Pair, men sit either North or West.

14. Change of Players

A change of players, pairs or partnerships can only be made at the beginning of a match or a session.

15. Disclosure of Systems and Conventions

15.1 Systems Policy

The WBF Systems Policy, adopted by the APBF, forms part of these Conditions of Contest. HUM system and Brown Sticker conventions are prohibited for these Championships.

Note that psyches protected by system and classified as Brown Sticker Conventions, and psyche of conventional and artificial openings are prohibited.

If a pair is found to have used a convention not listed on its Convention Card, it will be given a disciplinary penalty of up to 2 VPs deducted from the team's score. In addition, the Tournament Director gives an adjusted score if he deems that the opponents are damaged by the use of such an unknown convention. The pair will not play again until it has corrected its card to the satisfaction of the Chief Tournament Director.

If the pair re-offends in this way they will not be allowed to play in partnership for the rest of the event. In addition, such penalties will be applied should any pair in either of these events be found to have used a HUM system or Brown Sticker Convention.

15.2 Submission of Systems for All Team Events

Each team captain is responsible for ensuring that the convention cards for his team are submitted **in PDF format**, to asiacupgoa@gmail.com, as soon as possible, but in any event on or before 7 June 2026. The Systems for every partnership that will play in this Championship must be described on the official WBF Convention Card, completed in accordance with the Guide to Completion, plus Supplementary Sheets, as necessary to describe conventional sequences in detail. Penalties for failure to submit Convention Cards and Supplementary in time are (in addition to Section 15.2.1) specified in Section 19.1.

15.2.1 Convention Cards not received in due time

Any partnership whose duly completed original Card and Supplementary Sheets have not been submitted on-line by 7 June 2026 may, in addition to the penalties referred to in Section 19.1, be required by the Executive Committee (unless it rules otherwise) to use the system described on the World Standard Card for not less than the first two days of play.

15.2.2 Contact Information

Should captains have any queries concerning the systems provided by other teams, they should email the Championship Organising Committee who will forward them to the appropriate person for response.

The fact that Cards and Supplementary Sheets are circulated by the APBF (see 15.2.1) does not mean that the APBF has considered such Cards as completely acceptable; systems although accepted as registered, may require amendments after being circulated.

15.3 Supplementary Sheets

Where a conventional sequence cannot be described adequately in the space provided on the WBF Convention Card, a reference number should be placed at the appropriate place on the Card; a Supplementary Sheet bearing that reference number, and containing the complete explanation must be submitted along with the Card.

15.4 Changes to Cards/Supplementary Sheets

- a) Any changes to the duly submitted (as per section 15.2) Card and/or Supplementary Sheets must be submitted in official form (see (e) below) as early as possible for everyone's benefit, but in any event no later than 20 June 2026. These changes may only be clarifications, amendments of typing errors, minor additions, and/or cosmetic revisions in accordance with the WBF Systems Policy.
- b) On site changes to systems will be approved or required by the Chief Tournament Director.
- c) For a change to be implemented, it will be uploaded to the website and an email sent to all captains to inform them that the Convention Card has been altered. Any essential changes (for example caused by the necessary change to a partnership because of withdrawal of a player) made to Convention Cards after 14 June 2026 will be relayed to all Captains by email. If such change is made after 20 June 2026, the information will also be available to the Captains through mailboxes on site.
- d) Approval for a change requested once teams have reached the venue may be given or refused in whole or part by the Chief Tournament Director and may be given subject to conditions. One such condition will usually be that any such change cannot be implemented during the round robin or during a particular stage of the event, with possible prejudice to unprepared opponents being a particularly important negative factor. Clarifications and improvements to presentation will not be considered as substantives changes.
- e) Official format for changes:
 - i) A new page of the Convention Card/Supplementary Sheet that reflects the proposed change
 - ii) A separate text document describing completely the proposed change and referring to the place(s) on the new pages where they can be found and any cross-references to Supplementary Sheet notes.

16. Length of Matches

Each 14-board match is to be completed within 2 hours, and 16-board segment in 2 hours 15 minutes; after that, teams judged guilty of slow play will be subject to penalty (see section 19.4). No additional time will be allowed for teams playing on Vu-Graph; neither will extra time be granted because of the use of tablets, bidding boxes, screens, discussions of systems or for other similar reasons. Vu-Graph

presentation for any match or session will not start until the Tournament Director so decides.

17. Tie-Breaking Procedures

17.1 Two Teams

If two teams are tied with the same number of Victory Points at the end of the round robin, the tie shall be broken as follows (in the sequence shown):

18. Disqualification

In the case of a team being disqualified, all matches it played prior to its disqualification may in the discretion of the Executive Committee be declared void and the scores earned by its opponents in those matches may be cancelled or varied.

19. Penalties

The schedule of penalties, which follows, is supplemental to the Laws of Duplicate Bridge 2017. All infringements of the Laws of Duplicate Bridge 2017 will be dealt with in accordance with the Laws of Duplicate Bridge 2017. Upon publication of these Conditions of Contest no further warning is required (whether from the Director or otherwise) prior to the application of any penalty under the provision of the Laws of Duplicate Bridge 2017 or of these Conditions of Contest.

Victory Point penalties, where applicable, shall be deducted from the score of the offending team at the conclusion of the Round Robin. The VP penalties shall not affect individual matches in any manner but may determine a team's ranking.

Penalties assessed in IMPs shall be deducted from the score of the offending team at the conclusion of the match during which the penalty was imposed, before its VP score is calculated. However, the score of the non-offending team shall not be affected.

19.1 Failure to File Systems in a Timely Fashion

Any team containing a partnership that, for any reason, has failed to comply with the time requirements of Section 15.2 shall (in addition to the requirements of Section 15.2.1):

- c) for the third offence there shall be a fine of US\$40 and for each subsequent offence there shall be a fine of US\$100; penalties are cumulative. The captain of the other team shall have 5 minutes after the filing by the offending team's line-up to file his own. If, after filing of the line-up by the offending team, the captain of the non-offending team exceeds the filing deadline, or the extra five minutes allocated in the foregoing, whichever is later, this captain too is deemed guilty of late line-up filing and is subject to penalty under this Section.

19.3 Lateness

Any team not seated and ready to play at the announced starting time of a match or a session of a match will be assessed a penalty according to the following scale:

0+ – 5 minutes late	warning to captain(s) (after the second warning the provision for 5+ minutes late shall apply)

10+ – 15 minutes late	2 VPs
15+ – 20 minutes late	3 VPs
20+ – 25 minutes late	4 VPs

Over 25 minutes late	minimum 5 VPs plus 1 VP every 5 minutes, but after 30 minutes the match is cancelled and considered a walk-over. At its discretion, the Executive Committee may impose more severe action.
----------------------	--

19.4 Slow Play

The time allowed for each match or session shall be computed from the time play in such match or session is started by a Tournament Director. If play continues after the time allowed by Section 16 of these Conditions, then either or both of the pairs shall be subject to penalty, according to the amount of delay for which such pair was judged responsible, as follows:

Excess time apportioned to a pair

0+ – 5 minutes late	1 VP
5+ – 10 minutes late	1.5 VPs
10+ – 15 minutes late	2 VPs
15+ – 20 minutes late	2.5 VPs
20+ – 25 minutes late	3 VPs
Over 25 minutes late	5 VPs plus 1 VP for each additional 5 minutes and the Executive Committee will impose disciplinary penalties on the pair and/or on the team. After 30 minutes the match shall be truncated, reducing the number of boards played; if this happens the match will be scored only with the boards played at both tables, but the same conversion scale will be used as that used for the complete matches.

Example:

If a 14-board match or session took 2 hour and 12 minutes (excess of 12 minutes) and pair A is held responsible for 9 extra minutes and pair B for 3 extra minutes, the total penalty will be 2 VPs; pair A receiving 1.5 VPs penalty and pair B 0.5 VP penalty. In any case if the Tournament Director judges that one match will be so delayed that it would disturb the starting time of the next round, he may truncate it, reducing the number of the boards played: if this happens the match will be scored only with the boards played at both tables, but the same conversion scale will be used as that used for the complete matches.

19.5 Fouled Boards

See the General Conditions of Contest for explanation. If a board is fouled and it can be determined that one side is clearly at fault that side shall be subject to procedural penalty.

20. Recording of Matches and Verification of Scores

20.1 Official Electronic Score Submission

BridgeMate II will be used for the official recording of scores at these championships. The North or South player at each table will be responsible for entering the score of each board, for each match and session thereof. The East or West player at each table will be responsible for confirming the scores entered. Team captains will agree upon the scores produced by the championship's official scorer for each match and segment thereof. At the conclusion of each match, or segment of a match, the Chief Scorer shall post an official result.

Players and Captains are reminded that they are responsible for the accuracy of their own scores.

The correction period in Law 79C expires at the time specified in Section 20.2; and thereafter, the results will be final, with the following exceptions:

- a) awaiting decision of a requested review of a ruling;
- b) completion of play or replay boards where such replay has been directed by the Chief Tournament Director.

20.2 Score Corrections

Score corrections may be made as sanctioned in Law 79 and in Laws 69 and 71. An agreed-upon score that is proven to be erroneous to the complete satisfaction of the Chief Tournament Director, may be corrected up to 30 minutes after the posting of scores at the end of play on each day. Only the results of boards played that day are subject to correction.

21. Duplicated Boards

Duplicated boards will be used throughout this Championship, whenever possible.

22. Eligibility for Master Point Awards

According to the APBF Master Points Plan.

22.1 Special Conditions

To qualify for the Master Points and Placing Points won by the team, a player, in any case, must have played at least one third of the boards in the Round Robin(s).

In all events, in order to qualify for the title of Asia Cup Champion, the same criteria regarding number of boards played shall apply, save that under special circumstances the Executive Committee may, at its discretion, over-ride such qualification regulations.
